The Karmapadika Sutta (On the First Three Precepts of the Law, and Beyond), by R. S. Narayana, trans. by R. N. Narayana (Johannesburg, South Africa).. The book does, however, have many flaws: there is no mention of how the human soul develops, and therefore, who has the final word on any aspect of human nature. What exactly can one say to one's self that is truly beneficial? Does the soul exist outside the body, or not, and is it the soul that has no body? One may question God's existence, to which certain aspects of the human condition seem to be applicable? Who is capable of controlling human affairs, and are they all one person? What are the duties of man, what type of duties should he perform, and should one be guided by these?.. Dharmakirti Sutta: The Vidyatthana Sutra, edited by T.T. Ramachandran (Yogaland, 2009)..
